The men who operate the set are quartered in nearby houses.

14 January 1950

2. The radar installation previously observed was still in the same position. An exhaust pipe was noticed protruding from the roof of the prime mover.

50X1-HUM

this serves for the exhaust from the power generator.

3. A second three axle prime mover arrived from the direction of Finow Airfield, Russian letters and figures had been painted on the back of the truck over some Roman lettering.
